Sir:

In response to the Final Office Action Dated September 11, 2009, please amend
the above-identified application as follows:

A request of three months extension of time accompanies this response.

We started the reply in order of importance,

Amendments to the Claims are reflected in the listing of claims which begins on
Page 72 of this paper.

Discussion / reply to the Claim Objections begins at page 3.

Summary and Conclusions begin on Page 102.

The previous replies to the OAs is maintained, and is incorporated explicitly herein for reference, (to avoid unnecessary repetition).

On February 19, 2010 the US PTO Inventor assistance Center [ref# 1-163400515] has brought to my attention that the claims reportedly have to be in a format like:

The method of claims 1, 2, 3 or 5 wherein... and reportedly the claims like

The method of claims 119, 120, 121, wherein... (as a format) is not in proper form (as "or" needs to be there not and or not 119, 120, 121).

This may apply to claims 59, 100, 122, 123, 130,134,-139, 140,142, 144.

Please clarify so that the claims we have amended could be in the proper format. – Thank you.
